PROFILE

Motivated second-year AI and Data Science student skilled in Python, Java, data analysis, and machine learning. Proficient in frontend development (HTML, CSS, JavaScript) and JavaFX for building interactive applications. Seeking to apply technical skills and contribute to innovative projects through an internship. A quick learner with proven success in team-based environments.

PROJECTS SECTION

Real-Time Bookstore Web Application

Built a dynamic bookstore using HTML, CSS, JS, and XML with live search, book details, and cart / favorites powered by Local Storage.

Tax Department JavaFX Application

JavaFX app to import and display tax transactions from CSV files using TableView.

PyMovie Manager - Python Movie Database System

Python system using CSV files to add, search, sort, and organize movies efficiently.

Bakery POS Management System (Python Application)

Python-based point-of-sale system for billing, inventory, discounts, and CSV export.

Brain-waves-to-Text Concept Prototype

Small group project exploring non-invasive brain-to-text concept using signal analysis and prototype design.

Vegetable Price Prediction System

Working on a group project model for predicting vegetable prices using collected data, statistical analysis, and basic machine-learning methods.

EDUCATION

2024 - Present
INFORMATICS INTITUTE OF TECHNOLOGY

- BSc (Hons) in Artificial Intelligence & Data Science
  2nd Year Student

2023 - 2024
SABARAGAMUWA UNIVERSITY

- English Diploma

2010 - 2023
PRINCE COLLEGE RATNAPURA

A/L Results:

- Physics: C
- Chemistry: C
- Combined Mathematics: C
- General English: B

SKILLS

Soft Skills

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Technical Skills

- **Programming Languages**: Python, SQL, Java, R, HTML, CSS
- **Libraries & Frameworks**: Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn
- **Databases & Tools**: MySQL

KEY ACADEMIC ACHIEVEMENTS

- **Informatics Institute of Technology**
  BSc AI & Data Science (First Year)
    - Database Systems: A
    - Web Technology: A
    - English Communication Skills: A
    - Programming Fundamentals: B
    - Computational Mathematics: B

EXTRACRICULAR ACTIVITIES

- **Prefect (2021–2022)**
  Leadership role overseeing student activities and mentorship
- **School Media Club Member (2018–2022)**
  Contributed to event coverage and team collaboration
- **Marathon Runner**
  School sports meet competitor, demonstrating discipline and endurance
- **Chess Player**
  School tournament competitor, honing strategic thinking and focus

LANGUAGES

- Sinhala (Native)
- English
